All merchants must comply with the Payment Card Industry Data Security Standard ("PCI DSS"). Merchant is required to maintain the security of card data and to comply with the requirements of the PCI DSS. Merchant must validate its compliance with the PCI DSS and provide NPC with evidence that Merchant (a) has successfully completed a Self Assessment Questionnaire and scan(s), if applicable, and (b) is compliant with the PCI DSS. NPC has created the PCI Program (the "PCI Program") to assist merchants in securing card data and complying with PCI DSS. You are enrolled in the PCI Program and the applicable fees will be assessed in accordance with the terms of the PCI Program. Information on the PCI Program is set forth in Section 15 of the Terms and Conditions and the applicable fees are set forth in Section 8. All gateway or other vendor supplied software must be compliant with the Payment Application Data Security Standard rules ("PA DSS").
