PERSONAL GUARANTEE

To induce Paya-EFT to enter into the Agreement, I the undersigned (the "Guarantor"), guarantee to Paya-EFT the due and punctual payment and performance of any and all of the present or future, direct or indirect, absolute or contingent indebtedness, obligations and liabilities of the Merchant named on this Application (and its successors and assigns) which arise pursuant to or in connection with the Agreement as they become due from time to time (collectively the "Liabilities") regardless of the place or manner in which the Liabilities arise or are evidenced, in any currency, whether incurred by the Merchant alone or with another or others and whether as principal or guarantor. If this Guarantee is executed by more than one party, the obligations of all parties executing this Guarantee shall be joint and several and each such party shall, therefore, be severally liable for all of the obligations guaranteed hereby, notwithstanding any discharge or unenforceability of the obligations with respect to any other party executing this Guarantee. The Guarantor shall pay or perform the Liabilities immediately on demand without any requirement that payment or performance of any of the Liabilities has been demanded from the Merchant. The Guarantor will pay and perform the Liabilities without regard to (i) any equities between the Guarantor and the Merchant or the Guarantor and Paya-EFT; or (ii) any defense or right of set-off, combination of accounts or appropriation or any cross-claim which the Merchant or the Guarantor may have. The amount of the Liabilities at any time shall be deemed to be as stated by Paya-EFT based on its records, absent manifest error. The Guarantor waives all defenses to any action or proceeding to enforce this Guarantee.

This Guarantee shall not be limited, lessened, released or discharged by the recovery of any judgment against the Merchant or any other person, by any voluntary or involuntary liquidation, dissolution, winding-up, merger or amalgamation of the Merchant or any other person, by any sale or other disposition of all or substantially all of the assets of the Merchant, or by any judicial or extra-judicial receivership, insolvency, bankruptcy, assignment for the benefit of creditors, reorganization, moratorium, arrangement, composition with creditors or other proceedings affecting the Guarantor, the Merchant or any other person. The Guarantor shall reimburse or indemnify Paya-EFT on demand for all costs and expenses (including legal fees and disbursements on a solicitor-and-his-own-client basis) paid or incurred in enforcing the Liabilities. This Guarantee shall enure to the benefit of the successors and assigns of Paya-EFT. This Guarantee is binding upon the Guarantor, and any heirs, executors, legal representatives, successors and assigns of the Guarantor and is effective until the obligations of the Guarantor hereunder have been permanently paid or performed in full.

MERCHANT desires to use the services pursuant to the terms of this Agreement and the rules of the National Automated Clearing House Association (the “Rules”), and Paya-EFT is willing to provide the services subject to the terms and conditions set forth in this Agreement.

AGREEMENT

- MERCHANT’S AUTHORITY.** MERCHANT specifically warrants to Paya-EFT that MERCHANT has taken all necessary legal action and has authority to enter into this Agreement with Paya-EFT. It further warrants that the person(s) signing for and on behalf of MERCHANT is specifically authorized and directed to do so by MERCHANT. MERCHANT acknowledges that this Agreement constitutes the legal, valid and binding obligation of MERCHANT, enforceable in accordance with its terms. The attached Schedules for the POS Guarantee Conversion, POS Conversion, QSP, Check 21+ Remote Check Deposit, Checks-By-Phone, Checks-By-Web, ACH Debit, Checks-By-Phone, and Paper Guarantee services are hereby incorporated into these T&C’s to the extent Merchant selects such services in the Application. These T&Cs are only applicable to the Paper Guarantee services to the extent set forth in Sections 23 -43 and the Paper Guarantee Schedule attached hereto.
- POS GUARANTEE CONVERSION, ACH DEBIT GUARANTEE SERVICES, AND CHECKS-BY-PHONE GUARANTEE.** If MERCHANT has marked the Paya-EFT POS GUARANTEE CONVERSION, Checks-By-Phone Guarantee, or “Guarantee” box on the application form of this Agreement then MERCHANT wishes Paya-EFT also to provide check guarantee or ACH Debit Guarantee services (as applicable) to MERCHANT. Guarantee is only available for Single ACH Debit services. If MERCHANT has not marked the appropriate box, MERCHANT has engaged Paya-EFT to provide for each check and ACH Debit: verification, electronic funds transfer and certain collection services. Merchant must utilize the Virtual Terminal to qualify for ACH Debit Guarantee service and the Paya-EFT Checks-By-Phone Gateway to qualify for Checks-By-Phone Guarantee service.
- MERCHANT’S PUBLIC DISCLOSURE RESPONSIBILITIES.** Paya-EFT shall provide signage to be displayed at the point of purchase (POP) or payment collection site, which informs customers of the applicable (i) MERCHANT’S use of Paya-EFT Electronic Check Processing Service; or (ii) electronic debit for the amount of any state allowable NSF or recovery fee as stated in Section 3 of the Check 21+ Remote Check Deposit Addendum. MERCHANT agrees to display these materials in the best visible and unhindered location so as to inform the public of, if applicable, such electronic debit entry or that MERCHANT will honor electronic check and ACH processing services (as applicable) provided by Paya-EFT. From time to time, Paya-EFT may disseminate (i) changes to rules governing the Services; and (ii) educational and promotional materials to MERCHANT for MERCHANT to distribute to customers. MERCHANT further agrees to immediately (i) remove and properly dispose of Paya-EFT’s stale promotional materials and to display the most current materials upon receipt of such from Paya-EFT; and (ii) comply with such rule changes. MERCHANT will discontinue the use of all of Paya-EFT’s promotional materials and properly remove said materials upon receipt of written notification of suspension or termination of this Agreement. In the event Merchants’ account is reinstated by Paya-EFT after suspension, MERCHANT shall redisplay appropriate materials upon receipt of written verification of resumption of service by Paya-EFT.
- RESTRICTIONS ON USE OF PROMOTIONAL MATERIALS AND REPRESENTATIONS CONCERNING Paya-EFT’S SERVICES.** MERCHANT shall make no use of Paya-EFT’s promotional materials, marks, or software, other than as set forth in paragraph 3 above, without Paya-EFT’S prior written consent. In no way shall the MERCHANT indicate that Paya-EFT’s services are an endorsement of the MERCHANT, its business or its business practices. In the event of termination, MERCHANT immediately shall properly discard all software related to Paya-EFT services at MERCHANT’S expense.
- SURCHARGES AND TAXES.** MERCHANT shall not impose any illegal surcharge on any processed ACH, Remote Check Deposit (Check 21 Plus) processed check, or electronically processed check transaction. MERCHANT shall collect all required taxes at time of sale. All required taxes must be included in the total transaction amount at the time such is submitted for authorization by Paya-EFT and must be reflected in the face amount of the check or ACH Debit (if applicable). In any event, MERCHANT shall not collect any required taxes separately in cash, or otherwise. MERCHANT is responsible for paying all taxes collected to the appropriate authorities in a timely manner.
- USE OF EQUIPMENT.** MERCHANT agrees to utilize only equipment and software (including payment gateways) approved by Paya-EFT for the electronic processing of checks and ACH Debits and in a format and medium of transmission acceptable to Paya-EFT.
- NETTING OF TRANSACTIONS.** MERCHANT acknowledges that all transactions between Paya-EFT and MERCHANT under this Agreement, except assessment of fees, shall be treated as a single transaction for purposes of daily settlement between MERCHANT and Paya-EFT. The Settlement period varies depending on the Service. Chargebacks may be deducted from net settlement or may be debited from MERCHANT’S account if no pending credits are available to offset the chargeback.
- PAYMENT.** MERCHANT acknowledges that this Agreement provides for the provisional settlement of MERCHANT’S transactions, subject to certain terms and conditions, fees, credit transactions, contingent claims for chargebacks, adjustments and final settlement including but not limited to those enumerated herein. All payments to MERCHANT for legitimate and authorized transactions shall be made by Paya-EFT through the ACH and shall normally be electronically transmitted directly to MERCHANT’S designated account. However, Paya-EFT cannot guarantee the timeliness with which any payment may be credited by MERCHANT’S bank. MERCHANT understands that due to the nature of the ACH and the electronic networks involved and the fact that not all banks belong to an ACH, payment to MERCHANT can be delayed. In such cases, MERCHANT agrees to work with Paya-EFT to help resolve any problems in crediting MERCHANT’S designated account. In the event that a payment is rejected by MERCHANT’S bank or fails to arrive within seven (7) banking days from the date of settlement due to problems beyond Paya-EFT’S control, Paya-EFT may periodically wire transfer all funds due MERCHANT until the problem is corrected, at MERCHANT’S EXPENSE. All payments to MERCHANT shall be made after first deducting therefrom any discount fee, transaction fee, credit, chargeback, reserve or other fee or charge for which MERCHANT is responsible pursuant to this Agreement. Said charges and fees shall be deducted from incoming transactions or may be debited against MERCHANT’S designated Account at Paya-EFT’S sole discretion, without any further notice or demand.
- AUTHORIZATION TO ACCESS MERCHANT’S ACCOUNT.** MERCHANT hereby authorizes Paya-EFT to initiate debit and credit entries to MERCHANT’S designated account. MERCHANT’S authorization shall continue in effect for at least 120 days after termination of this Agreement, or for a longer period as determined necessary by Paya-EFT in the exercise of its sole discretion in order to properly terminate business. Unless a reserve or delay is placed on the MERCHANT’S account, Paya-EFT will generally transmit settlement to MERCHANT’S bank within 7 business days. In cases where MERCHANT has been approved by Paya-EFT in advance to initiate credit entries, the debit to MERCHANT’S account will be initiated first and the credit to the customer may be held until MERCHANT’S debit clears, generally within 6 banking days or for a longer period as determined necessary by Paya-EFT to insure the funds have cleared MERCHANT’S account. With respect to the Services, (i) settlement shall consist of a 7 banking day net settlement unless approved in advance by Paya-EFT in writing settlement shall consist of a 7 banking day net settlement unless approved in advance by Paya-EFT in writing; and (ii) No MERCHANT or customer is authorized to initiate a customer credit Entry, except where the Entry is the result of a reversal of a previous WEB debit Entry. Returns received after a transaction has been settled may be offset and deducted from current outstanding funds due to MERCHANT, or returns may be charged back to MERCHANT’S account at Paya-EFT’S discretion. MERCHANT specifically authorizes Paya-EFT to debit MERCHANT’S account via Automated Clearing House (ACH) transfer for any previously funded transaction that is returned, and MERCHANT warrants to Paya-EFT that MERCHANT will maintain a sufficient balance to cover return entries and to promptly notify Paya-EFT of any changes to MERCHANT’S accounts. In addition, Paya-EFT may require additional monetary sums for the reserve account from MERCHANT, and Paya-EFT reserves the right to hold additional monies as necessary to reduce any risk associated with the daily processing of checks, as requested by MERCHANT. In the event of processing termination, Paya-EFT may hold outstanding funds due to MERCHANT for up to one-hundred-twenty (120) days from the transaction date if Paya-EFT determines that the return history reasonably justifies the holding of funds. Paya-EFT may hold back certain amounts where Paya-EFT is investigating a transaction for breach of warranty or transactional requirements by MERCHANT or for other reasons. Paya-EFT shall monitor MERCHANT’S transactional activity and MERCHANT agrees that Paya-EFT may delay funds for a reasonable period to investigate account activity. Paya-EFT will attempt to notify MERCHANT of any investigation, but Paya-EFT shall have no liability to MERCHANT or any other party, for any such actions taken by Paya-EFT. MERCHANT agrees that Paya-EFT may hold, setoff or retain funds to protect against amounts owed Paya-EFT or based on MERCHANT’S transaction history and/or MERCHANT’S financial condition. Paya-EFT will not be liable for any dishonor of any item as a result of actions taken hereunder. Any account is subject to review, verification, audit and acceptance by Paya-EFT. Paya-EFT may return any item to MERCHANT for correction or proper processing.
- RETURNS AND CREDITS.** MERCHANT shall maintain a fair policy permitting refunds, exchanges, returns and adjustments. During the term of this Agreement, MERCHANT shall be responsible for making all cash, check, or ACH Debit refunds to customer after a transaction has been batched out for settlement. Unless MERCHANT has been approved by Paya-EFT in advance to initiate credit entries for a lesser amount than the original check, electronic check, or ACH Debit entry, MERCHANT must initiate a credit receipt for the same amount as the original check or debit entry to effect voids, which occur the same day as the day of authorization and prior to batching out. As applicable, MERCHANT must use the POP equipment, approved Paya-EFT software, or ACH Debit Software to transmit the credit. MERCHANT shall obtain proper written authorization from the Customer whose name is used in the transaction or printed on the face of the check or the customer’s authorized representative prior to crediting Customer’s account. Except for Checks-By-Web, the customer or its authorized representative shall sign the completed credit receipt and a copy of the credit receipt shall be delivered to the customer at the time of each cancellation of a transaction. Each void, debit, and credit entry shall constitute a

- separate transaction for which a processing fee will apply. If it becomes necessary for a reversal of a transaction to be initiated, MERCHANT shall request in writing to Paya-EFT to initiate such reversal. MERCHANT shall give Paya-EFT enough information to create such reversal. A fee of no more than twenty-five dollars for each transaction reversal may be charged by Paya-EFT.
11. **WARRANTIES BY MERCHANT.** MERCHANT warrants and agrees to fully comply with all federal, state, and local laws, rules and regulations, as amended from time to time, including those with respect to consumer protection. MERCHANT also warrants not to change the nature of its business as indicated on the Application attached hereto and submitted herewith or to modify the ownership of the business without the prior written consent of Paya-EFT. With each transaction presented to Paya-EFT by MERCHANT for authorization, MERCHANT specifically warrants and represents that: (a) each customer has authorized the debiting or crediting of its checking account, that each debit or credit is for an amount agreed to by the customer; (b) each debit or credit entry was authorized by the person named on the checking account or the authorized representative or agent of such person; (c) the sales receipt or other proof of purchase is valid in form and has been completed in accordance with all applicable laws and all of the provisions set forth in this Agreement; (d) the total amount of each sales receipt or other proof of purchase evidences all goods and services purchased in a single transaction (No splitting check transactions to multiple checks as applicable); (e) MERCHANT has delivered the goods or completed the services identified in the authorized sales receipt; (f) each sales draft and check represents a bona fide direct sales transaction between the MERCHANT and the person presenting the check or ACH Debit in the MERCHANT'S ordinary course of business and that the amount of the sales draft or check evidences the customer's total indebtedness for the transaction involved; (g) the person presenting the check or ACH Debit has no claim, defense, right of offset, or dispute against MERCHANT in connection with the purchase of the goods or services and MERCHANT will provide adequate services to the person presenting the check or ACH Debit and will honor all warranties applicable thereto; and (h) all of MERCHANT'S business locations engage in the business activity listed on the face of this Agreement.
 12. **CHARGEBACKS AND RETURNS.** PAYA-EFT and third-party bank partners will monitor MERCHANT for adherence to established maximum acceptable return rate thresholds as established by the Rules which are as follows: Overall return rate level of 15% or less, Administrative return (R02, R03, R04) rate level of 3% or less, and an Unauthorized return (R05, R07, R10, R29, or R51) rate level of 0.5% or less. MERCHANT shall bear all risk of loss, without warranty or recourse to Paya-EFT for the amount of any transaction, applicable fees, or other amounts due Paya-EFT (including Paya-EFT's actual costs and expenses) due to or caused by chargebacks and returns of any kind, whether for customer chargebacks, insufficient funds returns, administrative or corporate returns, or any other type of returns, except as set forth in this Agreement and the Paya-EFT POS GUARANTEE CONVERSION, ACH DEBIT GUARANTEE, Checks-By-Phone Guarantee, and Remote Deposit Capture (Check 21 Plus) with Guarantee Schedules below (provided that MERCHANT has purchased and Paya-EFT agreed to provide Guarantee services). Paya-EFT shall have the right to debit MERCHANT'S incoming transactions, designated account or any other funds of MERCHANT in Paya-EFT'S direct or indirect control by reason of Paya-EFT'S security interest granted to Paya-EFT by MERCHANT hereunder, and to chargeback such transactions to MERCHANT including, but not limited to any of the following situations: (a) where goods have been returned or service canceled by the person submitting the applicable check or ACH Debit for electronic processing or Remote Deposit Capture (Check 21 Plus) processing and that person has requested a credit draft and such credit draft was not processed by MERCHANT; (b) where the sales draft or purchaser breaches any representation, warranty or covenant or failed to meet the requirements of this Agreement, or applicable law, or has not been authorized in advance by the authorization center as required hereunder; (c) where the transaction is for a type of goods or services sold other than as disclosed in the MERCHANT application or approved in advance by Paya-EFT or the amount shown on the sales receipt or proof of purchase differs from the copy given to the customer; (d) where a customer contends or disputes in writing to Paya-EFT, or the customer's financial institution named on the check or ACH Debit that: (1) Goods or services were not received; or (2) Goods or services received do not conform to the description on the sales receipt or proof of purchase; or (3) Goods or services were defective or the customer has a claim, dispute or defense to payment related to the transaction; or (4) The dispute reflects a claim or defense authorized by a relevant statute or regulation; (e) where a check authorization document or recording, proof of purchase, or credit receipt was not received by Paya-EFT as required herein or is subject to indemnification charged back by the customer's financial institution; (f) where the transaction was generated through the use of an account that was not valid (As in, but not limited to, R03,R04 return codes) or effective (As in, but not limited to, R02 return code) on the transaction date or which was made on an altered, fraudulent, or counterfeit check authorization document, recording, or ACH debit or of which MERCHANT had notice not to honor and failed to reject the transaction or if MERCHANT disregarded any denial of authorization; (g) where the check results in a R29 return (Unauthorized ACH entry to Corporate Account) and any collection efforts are not successful; (h) where no signature or electronic acceptance of the transaction appears on the sales check authorization document (as applicable) or proof of purchase (or the proof of purchase does not contain the information from the ACH Debit), where customer did not authorize via recorded oral authorization, or if MERCHANT failed to obtain specific authorization in advance from Paya-EFT to complete the transaction and/or a valid authorization number was not on the sales receipt or proof of purchase and/or the customer has certified in writing to Paya-EFT or his financial institution that no authorized user made or authorized the transaction; (i) where security procedures were not followed; (j) where the customer's financial institution or Paya-EFT has information that MERCHANT fraud occurred at the time of the transaction(s), or the transaction is not a sale by MERCHANT whether or not such transaction(s) was authorized by the customer; (k) in any other situation where the check authorization or proof of purchase was executed or a credit was given to MERCHANT in circumstances constituting a breach of any representation or warranty of MERCHANT or in violation of applicable law or where MERCHANT has not provided documents or resolved a customer dispute whether or not a transaction is charged back; (l) an Entry was charged back and represented whether or not the customer knows or consents to this representation. If, with respect to any one of MERCHANT'S outlets, the amount of or number of any counterfeit or fraud incidents becomes excessive, in the sole determination of Paya-EFT; (m) MERCHANT does not provide Paya-EFT with a copy of the signed authorization receipt or recorded oral authorization within forty-eight (48) hours from the time of Paya-EFT'S request. MERCHANT may be charged back for all transactions, this Agreement may be terminated immediately without notice, and MERCHANT'S funds, including but not limited to those in incoming transactions and in MERCHANT'S designated account, shall be held pursuant to the provisions herein. Paya-EFT shall retain any discount or fee related to a chargeback transaction. MERCHANT agrees that Paya-EFT will assess up to twenty-five dollars for each chargeback, or such increased or additional charges as may be established by Paya-EFT from time to time. **Additionally, Paya-EFT shall have the same rights to debit MERCHANT's account for transactions returned or not honored for any reason, including but not limited to insufficient funds, administrative or corporate returns, or any other kind of returned transaction. If MERCHANT has requested the Paya-EFT GUARANTEE service, and Paya-EFT has accepted the application for Guarantee service, certain transactions are guaranteed, as listed in this Agreement, including the Paya-EFT POS GUARANTEE CONVERSION Remote Check Deposit (Check 21 Plus) with Guarantee, Checks-By-Phone Guarantee, or ACH DEBIT GUARANTEE Schedules below.**

Such funds will not be disbursed to MERCHANT until the end of one hundred twenty (120) days after termination of this Agreement or ninety (90) days from the date of the last chargeback or return activity, whichever is later, unless Paya-EFT in its sole discretion has reason to believe that customer chargeback rights may be longer than such period of time or that loss is otherwise likely, in which event Paya-EFT will notify MERCHANT of such fact and Paya-EFT will set the date when funds shall be released. No monies held in the Chargeback and Return Reserve Account shall bear interest. Provisions applicable to the designated account are also applicable to this account.
 14. **COLLECTIONS.** MERCHANT acknowledges and agrees that when collection services are required, Paya-EFT may utilize an appropriately licensed third party to perform such collection services. Such written notice must be received by Paya-EFT no later than ninety (90) days after the disputed fees have been paid by MERCHANT or charged to MERCHANT'S account by Paya-EFT. MERCHANT'S failure to so notify Paya-EFT will waive and bar the dispute. If applicable, for the purpose of billing a Mobile Image shall consist of the front-and-back of a check; any other image capture shall be billed as a separate image regardless of whether or not multiple images are of a single document.
17. **ASSIGNMENT OF CHECKS AND ACH DEBITS.** As of the date of this Agreement and by subscribing to Paya-EFT services, MERCHANT shall be deemed to have assigned to Paya-EFT, without recourse, all of MERCHANT'S right, title and interest in any and all ACH Debits return fees and checks, including any rights to treble or punitive damages permitted under applicable law. MERCHANT is solely responsible for any and all losses incurred by MERCHANT or Paya-EFT in the event MERCHANT initiates any transaction prohibited by Regulation E Rules or other rules or laws of the United States of America ("USA") or in breach of this Agreement. MERCHANT shall provide such information and certifications as Paya-EFT may reasonably require from time to time to determine MERCHANT'S compliance with the terms and conditions of this Agreement and applicable law. MERCHANT further agrees to produce and make available for inspection by Paya-EFT or its officers, agents, attorneys, accountants, or representatives, such books and records of MERCHANT as Paya-EFT may deem reasonably necessary to be adequately informed of the business and financial condition of MERCHANT, or the ability of MERCHANT to observe or perform its obligations to Paya-EFT pursuant to this Agreement. MERCHANT further agrees to provide to Paya-EFT from time to time such information including, but not limited to, credit reports, personal and/or business financial statements, income tax returns, or other such information as Paya-EFT may request. MERCHANT grants to Paya-EFT continuing authority to conduct credit checks and background investigations and inquiries concerning MERCHANT and MERCHANT'S owner(s) including, but not limited to, character and business references and the financial condition of MERCHANT and MERCHANT'S owner(s). MERCHANT expressly authorizes Paya-EFT or its agents, attorneys, accountants, and representatives to provide and receive such information from any and all third parties directly, without further consent or authorization on the part of MERCHANT. 20. **DATA RETENTION.** MERCHANT shall retain all records related to authorization, including all sales and credit receipts and authorizations for a period of no less than two years following the date of the transaction, or two years from authorization revocation if applicable. According to Paya-EFT'S current Paya-EFT policies, MERCHANT shall, as applicable, stamp or mark "ACH processed" and hand the check back to the check writer and retain for a period of 2 years all ACH Debits received from customers. **If check is handed back to check writer, ACH authorization form is handed back to consumer, or recorded oral authorization is lost then MERCHANT acknowledges that Paya-EFT will not be able to provide any check collection services beyond the third electronic presentment of the check. Failure to provide the signed authorization receipt, form, or recorded oral authorization to Paya-EFT will result in cessation of collection efforts, and Paya-EFT will be entitled to immediately debit MERCHANT'S account for any previously processed and returned transactions.**
21. **ADDITIONAL MERCHANT REPRESENTATIONS.** MERCHANT agrees to permit Paya-EFT to audit MERCHANT upon reasonable notice. MERCHANT agrees that any outstanding amount(s) owed to Paya-EFT shall be subject to a 1.5% finance charge monthly. Paya-EFT is only responsible for processing entries that have arrived at its premises in a proper format and on a timely basis. Paya-EFT will use information provided by MERCHANT to originate its entries in the applicable Remote Check Deposit (Check 21 Plus) network or ACH. MERCHANT understands and agrees that Paya-EFT may reject MERCHANT'S entries for any reason permitted in this Agreement and/or if acceptance of such entry would cause Paya-EFT to potentially violate any federal, state or local law, rule statute, or regulation, including without limitation any Federal Reserve or other regulatory risk control program. At MERCHANT'S written request, Paya-EFT will make reasonable efforts to reverse or delete an entry, but will under no circumstance be liable for the failure to comply with such request.
23. **LIMITATION OF LIABILITY AND MERCHANT'S WAIVER OF DAMAGES.** Paya-EFT shall be responsible for performance of the ACH and Remote Check Deposit (Check 21 Plus) services as a third-party provider in accordance with the terms of this Agreement. Each Recipient will hold those materials and that information in strict confidence, and will restrict its use of those materials and that information to the purposes anticipated in this Agreement. If the law or legal process requires Recipient to disclose confidential and proprietary data, Recipient will notify the disclosing party of the request. Thereafter the disclosing party may seek a protective order or waive the confidentiality requirements of this Agreement, provided that Recipient may only disclose the minimum amount of information necessary to comply with the requirement. Recipient will not be obligated to hold confidential any information from the disclosing party which (a) is or becomes publicly known through no act or omission of the Recipient, (b) is received from any person or entity who, to the best of Recipient's knowledge, or Recipient's reason to know, has no duty of confidentiality to the disclosing party, (c) was already known to Recipient prior to the disclosure, and that knowledge was evidenced in writing prior to the date of the other party's disclosure, or (d) is developed by the Recipient without using any of the disclosing party's information. MERCHANT will not disclose and will keep confidential the terms and conditions of this Agreement.

MERCHANT authorizes Paya-EFT and appoints Paya-EFT its attorney in fact to sign its name to any financing statement used for the perfection of any security interest or lien granted in this Agreement. These security interests and liens will secure all of MERCHANT's obligations under this Agreement and any other agreements between MERCHANT and Paya-EFT including, but not limited to, MERCHANT's obligation to pay any amounts due to Paya-EFT. With respect to such security interests and liens, Paya-EFT will have all rights afforded under the Uniform Commercial Code, any other applicable law and in equity. 28. **IRS REPORTING AND WITHHOLDINGS.** Section 6050W of the Internal Revenue Code ("Code") requires payment providers and third party payment networks, such as Paya-EFT, to report payment settlement amounts to the Internal Revenue Service ("IRS") for each merchant processing through Paya-EFT. Merchant shall verify its identity by providing Paya-EFT with a Tax Identification Number ("TIN") such as a Social Security Number (SSN) or Employer Identification Number (EIN) for each Merchant Account. In the event Merchant fails to provide its TIN, Paya-EFT will place a restriction on Merchant's Account and may restrict the receipt of funds into Merchant's Account, or withhold a percentage of payments deposited into Merchant's Account in order to satisfy the backup withholding requirements of the IRS. Paya-EFT may charge up to \$25.00 annually for associated administrative costs.
 29. **NON-WAIVER.** Neither the failure nor any delay on the part of Paya-EFT to exercise any right, remedy, power or privilege hereunder shall operate as a waiver thereof or give rise to an estoppel nor be construed as an agreement to modify the terms of this Agreement, nor shall any single or partial exercise of any right, remedy, power or privilege with respect to any occurrence be construed as a waiver of such right, remedy, power or privilege with respect to any other occurrence. No waiver by a party hereunder shall be effective unless it is in writing and signed by the party making such waiver, and then such waiver shall apply only to the extent specifically stated in such writing.
 30. **ASSIGNMENT.** MERCHANT may not assign or transfer any rights under this Agreement unless and until it receives the prior written approval of Paya-EFT. Paya-EFT may freely assign this Agreement, its rights, benefits and duties hereunder.

If either party terminates this agreement a fee as set forth in the Application will be assessed and electronically debited from MERCHANTS account. Paya-EFT shall have the right to suspend or terminate this Agreement immediately and without notice to MERCHANT.
 32. **COUNTERPARTS.** This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, such counterparts to constitute but one and the same instrument.

 35. **ENTIRE AGREEMENT.** This Agreement, including the attached Schedules, together with the Account Agreement, is the complete and exclusive statement of the agreement between Paya-EFT and the MERCHANT with respect to the subject matter hereof and supersedes any prior agreement(s) between Paya-EFT and the MERCHANT with respect to the subject matter. In the event of any inconsistency between the terms of this Agreement and the Account Agreement, the terms of this Agreement shall govern. In the event the performance of the services provided herein in accordance with the terms of this Agreement would result in a violation of any present or future statute, regulation or government policy to which Paya-EFT, the Originating Depository Financial Institution (ODFI) or MERCHANT is subject, and which governs or affects transactions contemplated by this Agreement, then this Agreement shall be deemed amended to the extent necessary to comply with such statute, regulation or policy and Paya-EFT, the ODFI and MERCHANT shall incur no liability as a result of such changes except as provided in the following paragraph.
 36. **AMENDMENTS.** As stated in paragraph 35, Paya-EFT, the ODFI or MERCHANT may amend operations or processing procedures in order to conform to and comply with any changes in the Rules or applicable Federal or State Regulations. The changes would be, without limitation, those relating to any cut-off time and the close of any business day. Such amendments to operations or procedures shall become effective upon receipt of written notice to the other party, as provided for herein, or upon such date as may be provided in the Rules or applicable law or regulation referenced in the written notice, whichever is earlier in time. Use of the ACH or Remote Check Deposit (Check 21 Plus) services after any such changes shall constitute acceptance of the changes by the parties. Further, Paya-EFT may, from time to time, amend any provision of this Agreement, including, without limitation, those relating to the fees and charges payable by MERCHANT by mailing written notice to MERCHANT of the amendment, and the amendment shall become effective unless Paya-EFT receives MERCHANT's notice of termination of this Agreement within 7 days. Amendments due to changes in the Rules or any law or judicial decision may become effective on such shorter period of time as Paya-EFT may specify if necessary to comply with the applicable Rule, law or decision. No other amendments or modifications to this Agreement will be effective unless such changes are reduced to writing and are signed by the duly authorized party or parties to this Agreement and such Amendments are incorporated into and made a part of this document.
 37. **BINDING AGREEMENT; BENEFIT** This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective legal representatives, successors and assigns. This Agreement is not for the benefit of any other person or entity and no other person or entity shall have any right against Paya-EFT.
 38. **ATTORNEYS' FEES.** In the event that it becomes necessary for Paya-EFT to employ an attorney to enforce, interpret, mediate or arbitrate this Agreement, or collect a debt from MERCHANT, Paya-EFT shall be entitled to recover its reasonable attorneys' fees, costs, and disbursements related to such dispute from MERCHANT.
 39. **CHOICE OF LAW, VENUE & JURISDICTION.** Notwithstanding any language to the contrary, all issues related to the electronic processing of checks and ACH Debits under the terms of this Agreement shall be determined in accordance with the NACHA Rules, Federal Trade Commission and Regulation E Rules, and laws of the United States of America and the State of Florida as it applies to contracts. MERCHANT acknowledges that this Agreement was formed in Florida, upon its acceptance by Paya-EFT.

MERCHANT is responsible for all telecommunication fees and charges, including but not limited to telephone fees, associated with and related to the use of the software or the check imaging device. MERCHANT shall maintain all equipment related to electronic check processing in good working order at MERCHANT's expense. MERCHANT shall advise Paya-EFT immediately in the event of a breakdown of a Paya-EFT approved imaging device, software, or of any other system failure. MERCHANT acknowledges that Paya-EFT is not responsible for any equipment or software problems. Moreover, Paya-EFT's approval of such equipment does not constitute nor express an implied warranty, representation or endorsement of such equipment. Refer to Image Requirements and Virtual Terminal (if applicable).
8. USE OF EQUIPMENT. MERCHANT agrees to utilize only equipment approved by Paya-EFT for the processing of checks and in a format and medium of transmission acceptable to Paya-EFT.
9. VIRTUAL TERMINAL. If MERCHANT has marked the Virtual Terminal option box on the application form of this Agreement then MERCHANT wishes to use the Paya-EFT Virtual Terminal in place of a traditional point of sale terminal. Paya-EFT's Virtual Terminal performs the basic functions of a traditional point of sale terminal, as it pertains to check processing, including check processing, and transaction voids. NOTE: Remote Check Deposit (Check 21 Plus) Services requires the use of a Paya-EFT compatible two-sided check Imager connected to the PC. If a compatible two-sided check imaging device is not used, then MERCHANT understands that Paya-EFT will only provide Verification or standard Point of Sale ACH services, and there will be no transactions processed via Remote Check Deposit (Check 21 Plus). MERCHANT may utilize a compatible 3.5 inch printer or standard PC printer to print receipts. The SPS-EFT Virtual Terminal requires a Windows Operating System. 11. SOFTWARE. Paya-EFT may select software and related user materials ("Software") for use in Paya-EFT's electronic check deposit services and the processing of Transactions. From time to time, modifications or updates to the Software may be available. Customer agrees to adopt such updates or modifications as they become available. MERCHANT acknowledges that any Software supplied by Paya-EFT for use in Transactions, including, but not limited to, any Software created or modified by Paya-EFT to be specific to MERCHANT's environment is the property of Paya-EFT or a third party from whom Paya-EFT may have licensed rights in Software and that Paya-EFT claims and reserves all rights and benefits therein afforded under copyright and other laws. MERCHANT's license of and permission to use the Software is non-exclusive and nontransferable, and it extends only to MERCHANT's own use of such Software for the purpose of processing Transactions as set forth in this Agreement. Paya-EFT's Software may not be used to process transactions with or through any other party without the express written consent of Paya-EFT, and may not be exported in contravention of U.S. or foreign export laws. MERCHANT further acknowledges that Paya-EFT's Software contains confidential information and trade secrets, which Paya-EFT has entrusted to MERCHANT in confidence. MERCHANT shall protect Paya-EFT's property and its interest in the trade secrets contained in the Software by controlling access to the Software, permitting none of

its employees nor any other person not an employee or agent of Paya-EFT to examine, alter, attach, add to, modify, decode, reverse engineer, transcribe, extract or reproduce, in whole or in part, the Software in any way. 13. **AUTHORIZED TRANSACTIONS.** Under any of the following circumstances, Paya-EFT shall be conclusively entitled to deem the Transactions to be authorized by, and binding upon, MERCHANT: (a) if the Transactions and the electronic transmission of a file are made by MERCHANT or its actual or apparent agent, or (b) if Paya-EFT reasonably believes the Transactions and the electronic transmission of a file were sent by an authorized representative of MERCHANT, or (c) if MERCHANT utilizes the services of a third party for lockbox or other similar services to facilitate the processing of Transactions, provided that the Transactions and the electronic transmission of a file are in the name of MERCHANT and Paya-EFT reasonably believes that the Transactions and transmission of a file by such third party are sent on behalf of MERCHANT.
14. **RESTRICTIONS ON ACCEPTANCE OF CHECKS FOR PROCESSING.** From time to time, Paya-EFT shall establish necessary security and identification procedures for presentation of checks for Remote Check Deposit (Check 21 Plus) pursuant to the rules and procedural guidelines established by the Federal Trade Commission ("FTC") and Regulation E (Reg E) and applicable law. MERCHANT agrees to provide Paya-EFT with any and all information needed to establish such limitations. MERCHANT further agrees to inform Paya-EFT immediately of any changes in business activities, rules or regulations, which may affect these limitations. MERCHANT further agrees to abide by these limitations as a condition to Paya-EFT processing any check. MERCHANT shall scan each check submitted for processing through no more than one Paya-EFT approved imaging device for any given transaction. MERCHANT agrees that sales completed at one location cannot be processed through a check imaging device at another location. YOU UNDERSTAND THAT IT IS A FEDERAL VIOLATION TO PROCESS DEBIT REQUESTS AGAINST A CONSUMER BANK ACCOUNT WITHOUT THE CHECK WRITER'S EXPRESSED AUTHORITY. YOU HEREBY ACKNOWLEDGE RECEIPT OF PROPER NOTICE THAT THE USE OF ANY COUNTERFEIT, FICTITIOUS, LOST, STOLEN, OR FRAUDULENTLY OBTAINED DEBIT INSTRUMENT TO UNLAWFULLY INITIATE A DEBIT TRANSACTION IS PUNISHABLE BY IMPRISONMENT. IT IS SPECIFICALLY UNDERSTOOD BY YOU THAT ANY TRANSACTION INITIATED AS AN UNAUTHORIZED ENTRY OR DEPOSIT BY YOU AFTER YOU HAVE RECEIVED APPROVAL FOR DEPOSIT OF CHECK (S) OR IS INTENDED FOR ELECTRONIC DEPOSIT SHALL BE INTERPRETED AS AN UNLAWFUL DEBIT TRANSACTION PURSUANT TO THIS NOTICE. IN THE EVENT OF SUCH A VIOLATION, MERCHANT AGREES AND WARRANTS TO HOLD Paya-EFT AND ALL OF ITS ASSIGNS AND ASSOCIATES HARMLESS AND REIMBURSE Paya-EFT FOR THE TRANSACTION (S) WITHIN 24 HOURS OF SAID OCCURRENCE. IF MERCHANT REFUSES OR IS UNABLE TO REIMBURSE Paya-EFT FOR ANY SUCH OCCURRENCE, IT IS EXPRESSLY STATED AND UNDERSTOOD THAT THE MERCHANT IS IN DIRECT VIOLATION OF THIS AGREEMENT AND FEDERAL LAW, AND Paya-EFT WILL PURSUE ALL LEGAL, CIVIL, AND COLLECTION REMEDIES AS ARE POSSIBLE UNDER LAW AS REMEDY.
15. **CHECKS FOR WHICH MERCHANT WILL NOT BE REIMBURSED UNDER REMOTE CHECK DEPOSIT (CHECK 21 Plus) with Guarantee.** In addition to the provisions set forth in this Agreement and notwithstanding any other provisions to the contrary, Paya-EFT shall have no obligation to reimburse MERCHANT for checks that are: (a) Not honored by the customer's financial institution because of the customer's instructions to "stop payment" on the check; (b) Fraudulent, whether MERCHANT, its employees or agents are involved, either as a principal or as an accessory, in the issuance; (c) Accepted by MERCHANT or its employees with advance knowledge of the likelihood of its being dishonored even though authorized by Paya-EFT; (d) Lost, stolen, altered or counterfeit, and Paya-EFT has reason to believe that MERCHANT failed to use reasonable care in verifying the customer's identity; (e) Given as a substitute for a previously accepted check, whether or not the previous check was authorized by Company or, any check upon which MERCHANT has accepted full or partial payment; (f) One of multiple checks presented to MERCHANT in a single transaction for Remote Check Deposit (Check 21 Plus) processing; (g) For goods, if the goods are subsequently returned by customer or repossessed by MERCHANT or lien holder, within 65 days of date of purchase; (h) Not honored by the customer's financial institution because of the failure of, the closing of, or government-imposed restrictions on withdrawals from the financial institution; (i) Checks for which MERCHANT returns cash back to the customer, unless MERCHANT is approved in writing by Paya-EFT for such cash back; (j) Checks for which Paya-EFT previously denied authorization; (k) Not in compliance with this agreement and not processed in accordance with the check processing provisions of this Agreement; (l) Incorrect MICR data scans or reads; (m) unable to locate account or invalid account number returns. (k) The amount authorized and the amount shown in words and figures on the check must agree; (l) The check number of the instrument being authorized must be the same check number given at the time authorization is attempted. No represented check is guaranteed unless the instrument was authorized with the same dollar amount as when the instrument was originally authorized; (m) In the event of a personal instrument, the signature on the check must be the same as the commercially imprinted name on the check and driver's license provided at the time of authorization; (n) The instrument has been filled out completely by the customer, has not been altered, or has not been tendered in whole or in part in exchange for cash, or was not payment for a prior debt due or a financed obligation; (o) The Merchant did not subsequently receive value in full or in part for the dishonored instrument from the presenter in the form of cash payment, credit, service, exchange or repossession; (p) The instrument was not dishonored as a result of a "stop payment" order issued by the presenter to the financial institution; (q) The instrument was not previously denied by Paya-EFT based on the same or different driver's license number, which was previously presented for authorization by Merchant. The instrument must be authorized by entering the correct ID number into the Paya-EFT approved check imaging device and/or an approved software vehicle at the time of authorization; (r) The instrument was not one of multiple instruments or payment methods presented to Merchant for sales made that day (no splitting of checks); (s) Paya-EFT reserves the right and Merchant acknowledges that a receipt for the products and services provided to the check writer may be requested. The delivery of this receipt must be postmarked or faxed within 48 hours of the request and its acceptance by Paya-EFT will be required to qualify the claim for payment; (t) Merchant must have followed instructions contained in Paya-EFT's Merchant Quick Reference Guide or other authorized, current published instructions; (u) Merchant acknowledges that first time check writers may have a lesser check limit than those of frequent check writers and check limits are based on not only dollar amount, but number of checks written in a period of time to be determined solely by Paya-EFT; (v) The instrument was not issued in connection with a transaction described herein. Merchant must comply with the terms and conditions of this agreement, including but not limited to, the requirements described herein; (w) the Merchant, or its agents, and employees must not accept any instrument with prior knowledge that the instrument is likely to be dishonored or that the identification used was forged, stolen, or otherwise did not belong to the check writer, or that the transaction for which the instrument was tendered is illegal, void, or invalid.
17. **STOP PAYMENT COVERAGE.** Paya-EFT agrees to waive section 15 (n) of this Schedule and to guarantee Stop Payment instruments up to the limit which was approved by Paya-EFT's underwriting department at the time of acceptance, provided that Merchant shall have performed all of his obligations related to the issuance of said qualified instrument and is compliant with Section 11.1 and 11.2. At Paya-EFT's request, Merchant shall provide written information regarding any claim for reimbursement of a Stop Payment instrument. Stop Payment Coverage must be indicated (separate addendum) by Merchant upon the initial acceptance by Paya-EFT and must be approved and accepted by Paya-EFT in addition to this agreement. Stop Payment Coverage does not cover business account checks, only personal accounts. This coverage is not available to all business types and Paya-EFT reserves the right to determine which business types will be eligible for Stop Payment Coverage.
18. **DAILY SETTLEMENT OF TRANSACTIONS.** MERCHANT agrees to "batch out" each check imaging device that is used on a daily basis. "Batch out" shall mean that MERCHANT totals and settles all of the transactions by midnight (12:00 am) of the day Paya-EFT authorizes the sale and transmits the information contained in the batch out to Paya-EFT. MERCHANT agrees to upload images from the check imaging device daily and acknowledges that Paya-EFT cannot process any transactions where the image has not been made available by MERCHANT. In addition, any transactions contained in an untimely batch out may be refused or become subject to chargeback or held until after a sixty-day period for consumer chargebacks by Paya-EFT. If MERCHANT account is Remote Check Deposit (Check 21 Plus) with Guarantee then checks contained in an untimely batch out are not covered under the Guarantee program. MERCHANT acknowledges that

failure to batch out on a timely basis may be grounds for suspension or termination at Paya-EFT's sole discretion. MERCHANT acknowledges that failure to batch out will delay funds being deposited and loss of guarantee coverage on those checks and Paya-EFT may apply a \$25.00 fee for each terminal daily on which MERCHANT fails to transmit a timely batch out.

19. **PROVISIONAL SETTLEMENTS.** MERCHANT acknowledges that all settlements between Paya-EFT and MERCHANT are provisional and are subject to the customer's rights to dispute the charges against the customer's account. In submitting Remote Check Deposit (Check 21 Plus) checks to Paya-EFT, MERCHANT endorses and assigns to Paya-EFT all right, title and interest to such checks with rights of endorsement. MERCHANT acknowledges that Paya-EFT has the right to receive payment on all Remote Check Deposit (Check 21 Plus) processed checks acquired and MERCHANT will not attempt to collect on any such transactions. If any payment is tendered to MERCHANT, MERCHANT will notify Paya-EFT by telephone of the payment, endorse the check; sign it over to Paya-EFT and immediately mail the payment to Paya-EFT by certified mail. If customer pays cash, MERCHANT shall reimburse Paya-EFT by MERCHANT's check. In addition, MERCHANT acknowledges that Paya-EFT will have no responsibility for the delayed return of a Substitute Check that includes any message text or other information added by MERCHANT or MERCHANT's third party designee in the depository financial institution endorsement area. Any credit or consideration given by Paya-EFT to MERCHANT with respect to any Transactions shall be deemed provisional, and Paya-EFT shall be entitled to revoke same without prior notice in the event one or more Transactions are rejected or returned to Paya-EFT for any reason.
20. **CHECK RETENTION.** Paya-EFT requires that MERCHANT retain and store the original check in a secure location for the period of at least ninety (90) days. In the event a Remote Capture Deposit (Check 21 Plus) transaction cannot be processed due to a poor quality check image, MERCHANT shall be notified by Paya-EFT in writing (and/or by phone, fax, or email) to manually deposit the check. Once notification has been received, MERCHANT is to deposit the check at their bank within 48 hours. Failure to deposit the check in Merchants' bank account within 48 hours may result in a loss of guarantee. If the manually deposited check is subsequently returned by the check writers bank, MERCHANT shall mail the check to Paya-EFT (73 Eglin Pkwy, Suite 301, Fort Walton Beach, FL 32548) to submit for a claim for reimbursement (if merchant selected the Remote Check Deposit (Check 21) with Guarantee program on the front of this application). In any event, the instrument must be received by Paya-EFT within 45 days of Paya-EFT's initial authorization of the instrument (if guarantee service is selected). **If original check was not retained or was lost by merchant then MERCHANT acknowledges that Paya-EFT will not be able to process the Remote Check Deposit (Check 21 Plus) transaction, provide any sort of guarantee, or provide check collection services. Refer to section 10 of this Schedule regarding Image Requirements.**
21. **ADDITIONAL WARRANTIES BY MERCHANT.** As to the Transactions transmitted to Paya-EFT, MERCHANT represents and warrants to Paya-EFT that: (a) MERCHANT's customer has authorized MERCHANT to endorse all checks and other cash items for collection; (b) the preparation and presentment of the Transactions comply with the terms and conditions set forth in this Services Agreement; (c) the digital image of the check transmitted to Paya-EFT is a sufficient copy that is a true, correct, and accurate image that represents all the information on the front and back of the original check at the time the original check was truncated so that a Substitute Check created from the image will satisfy legal equivalence requirements and the image has not been altered in any manner by MERCHANT or any third party acting on behalf of MERCHANT; (d) MERCHANT, or any third party acting on behalf of MERCHANT, has reviewed and confirmed that the transmission of MICR line information is identical in all respects to the original check and that the encoded check amount is accurate, (e) MERCHANT understands that any message text or other information MERCHANT elects to add to the check image transmitted to Paya-EFT may cause the depository bank's endorsement not to be legible which may result in the delayed return of the Substitute Check or electronic representation if it is not paid, (f) the original check, or a paper or electronic representation, has not previously been deposited for collection with any financial institution, and no depository bank, drawee, drawer, or endorser will be asked to pay a check that it already has paid, (g) MERCHANT will retain the original check, or in the event MERCHANT utilizes the lockbox services of a third party or other similar services that MERCHANT's third party designee will retain the original check, until final settlement of the Transaction and for such additional period as may be required in the event of a disputed truncated or Substitute Check, including claims that the Substitute Check or electronic representation does not satisfy legal equivalence requirements, so that the original check can be processed for collection, and that MERCHANT or MERCHANT's third party designee will take reasonable efforts to safeguard any original checks until they are destroyed, (h) MERCHANT understands that the appearance of the original check and the use of certain background colors, decorative images, and choices in ink on the original check may affect the ability to produce a readable digital image of the check or the creation of a Substitute Check that meets legal equivalence requirements which may require the original check to be processed for collection; (i) MERCHANT has no knowledge or notice of information to indicate that the transaction is fraudulent; (j) that each check is for an amount agreed to by the customer; (K) MERCHANT warrants that ALL types of its business are clearly and precisely stated on this application; (l) the percentage of mail order sales listed by MERCHANT for each location is consistent with the information provided in the application; (m) MERCHANT, nor any of its employees have submitted checks drawn from their personal checking accounts on the MERCHANT's Paya-EFT approved check imaging device; (n) MERCHANT uses only the name and address shown on the front of the Agreement on all its sales drafts; and (o) MERCHANT warrants that no transaction submitted for authorization to Paya-EFT is with or through an entity other than MERCHANT; MERCHANT further acknowledges that if for any reason funds are credited to MERCHANT in excess of the amount that MERCHANT is entitled to receive under this Agreement, MERCHANT shall return all such excess funds to Paya-EFT upon demand by Paya-EFT. Such excess funds may be collected by Paya-EFT by a debit to MERCHANT'S designated account initiated by Paya-EFT as provided in this Agreement. If for any reason such account does not have sufficient funds, then MERCHANT shall promptly remit the excess funds to Paya-EFT. Until the return of such funds to Paya-EFT, MERCHANT acknowledges that it shall hold all such funds in trust for the benefit of Paya-EFT.

Checks-By-Phone Schedule

This Schedule is only applicable to processing telephone-initiated transactions utilizing the end-customer's Checking account data. Paya-EFT products and associated software specifically designed for such transactions will be utilized by Merchant, and such software will either be hosted and maintained by Paya-EFT on Paya-EFT equipment, or alternatively, provided directly to Merchant for installation on Merchant equipment. In all cases where Paya-EFT hosts the software for Merchant, the various terms and conditions referenced below regarding disclosure, transaction and processing requirements, and all other requirements imposed by either regulatory agency, law, Paya-EFT, or otherwise shall have full force and effect, however, in instances where the Paya-EFT hosted software already complies with Merchant requirements, the Merchant shall be relieved of certain of these responsibilities. Merchant agrees not to change, modify, or alter such software or product in any way. Upon MERCHANT'S request and Paya-EFT's approval, check guarantee services (hereinafter referred to as "Checks-By-Phone Guarantee" service) will also be provided pursuant to provisions below. 1. **CHECKS-BY-PHONE NON-GUARANTEES.** This program offers no guarantee for checks that are returned unpaid on CUSTOMER's account. Merchant may utilize the Paya-EFT Checks-By-Phone Gateway or an approved method of electronic file transmission to use the Checks-By-Phone Non-Guarantee program. Merchant must submit a file for testing purposes prior to using the Checks-By-Phone Service if Merchant utilizes electronic file transmission. Merchants who utilize electronic file transmission will not receive the benefit of pre-verification services to determine if the CUSTOMER's account or driver's license is flagged by the national negative database for unpaid items and may result in higher returns or chargebacks to MERCHANT's account.
2. **ACH COLLECTION.** MERCHANT authorizes Paya-EFT to represent all return items forwarded to Paya-EFT and to Originate and electronic entry for the amount of any allowable recovery fee. Paya-EFT shall have sixty (60) days from the date of receipt of return ACH transaction item to complete their representation process. CUSTOMER will provide check information via recorded oral telephone authorization or by completing written ACH authorization form. MERCHANT is not authorized to process checks through this service if CUSTOMER does not have a pre-existing relationship with MERCHANT and MERCHANT initiated the call. A pre-existing relationship is established if the CUSTOMER has purchased goods/services from the MERCHANT within the last two years or if there is a written agreement in place between the merchant and the consumer for provision of goods or services (i.e. a service contract). MERCHANT shall accept only the following sources to initiate ACH debit entries through Paya-EFT; (a) All demand deposit accounts must be drawn on or payable through a federally insured depository financial institution; be machine-readable MICR-encoded with the bank routing number and account number, and be for an amount less than \$1,000.00 unless otherwise authorized by Paya-EFT. MERCHANT may not resubmit an ACH transaction electronically or deposit the original source document by any means, once Paya-EFT authorizes a transaction; (h) MERCHANT's failure to input the correct routing number or account number into the Checks-By-Phone Gateway will result in MERCHANT's loss of guarantee using the Checks-By-Phone program. Failure to comply with the above requirements will, in addition to other penalties (such as but not limited to loss of guarantee of ALL transactions), subject MERCHANT to chargebacks or withholding of funds and may be grounds for immediate suspension/termination of services and indemnification of Paya-EFT by MERCHANT pursuant to this Agreement. YOU UNDERSTAND THAT IT IS A FEDERAL VIOLATION TO PROCESS DEBIT REQUESTS AGAINST A CONSUMER BANK ACCOUNT WITHOUT ACCOUNT HOLDER'S EXPRESSED AUTHORITY. YOU HEREBY ACKNOWLEDGE RECEIPT OF PROPER NOTICE THAT THE USE OF ANY COUNTERFEIT, FICTITIOUS, LOST, STOLEN, OR FRAUDULENTLY OBTAINED DEBIT INSTRUMENT TO UNLAWFULLY INITIATE A DEBIT TRANSACTION IS PUNISHABLE BY A MAXIMUM OF A \$10,000 FINE PER INSTANCE UP TO A \$500,000 MONTHLY FINE, IMPRISONMENT FOR A TERM OF TEN YEARS, OR BOTH. IT IS SPECIFICALLY UNDERSTOOD BY YOU THAT ANY TRANSACTION EVENT INITIATED AS AN UNAUTHORIZED MANUAL ENTRY OR DEPOSIT BY YOU AFTER YOU HAVE RECEIVED APPROVAL FOR ELECTRONIC DEPOSIT OF ACH TRANSACTION (S) OR IS INTENDED FOR ELECTRONIC DEPOSIT SHALL BE INTERPRETED AS AN UNLAWFUL DEBIT TRANSACTION PURSUANT TO THIS NOTICE. 4. **CUSTOMER'S AUTHORIZATION INITIATES DEBIT ENTRY.** MERCHANT acknowledges that the customer's authorization allows MERCHANT to instruct Paya-EFT to initiate an ELECTRONIC ACH TRANSACTION DEBIT ENTRY ("ENTRY") for MERCHANT against customer. It further permits Paya-EFT to reinitiate an ENTRY where the original ENTRY is returned and to assess a collection fee against CUSTOMER. All such collection fees shall be the sole property of Paya-EFT. Paya-EFT shall be entitled to multiple re-presentments and to assess a transaction fee as set forth in the schedule against MERCHANT for each re-presentment. If an electronic check is returned unpaid after each re-presentment, Paya-EFT shall be entitled to debit the MERCHANT'S account for the amount of the electronic check.
5. **RESTRICTIONS ON ACCEPTANCE OF ELECTRONIC CHECKS FOR ELECTRONIC PROCESSING.** From time to time, Paya-EFT shall establish necessary security and identification procedures for presentation of checks for electronic processing pursuant to the Rules and applicable law. MERCHANT agrees to comply with such procedures and to accept such "properly presented" checks for electronic processing. Paya-EFT shall establish minimum and maximum amount limitations on electronic checks presented for electronic processing by MERCHANT. MERCHANT shall not accept or attempt to process electronic checks below the minimum or in excess of the maximum limitations established by Paya-EFT. In no event will Paya-EFT accept an electronic Checks-By-Phone greater than \$1,000.00 for processing without prior written authorization by Paya-EFT. Paya-EFT shall also establish the number of electronic checks that may be submitted on a daily basis by any customer for electronic processing. MERCHANT agrees to provide Paya-EFT with any and all information needed to establish such limitations. MERCHANT further agrees to inform Paya-EFT immediately of any changes in business activities, rules or regulations, which may affect these limitations. MERCHANT further agrees to abide by these limitations as a condition for Paya-EFT to electronically process any checks.
