# Get help to claim your fair share of Fee Settlement Recovery

## Visa/Mastercard Interchange Fee Settlement Recovery

You may be aware that in September, a judge recently approved the Visa/ Mastercard class action settlement for a lawsuit alleging merchants paid excessive interchange fees for accepting Visa and Mastercard payments over a 15-year period.

If your business accepted Visa or Mastercard at any point between January 2004 and January 2019, you may be eligible to recover a portion of the settlement. The \$5.5 billion+ settlement fund will be distributed among merchants who did not opt out of the class action. Merchants must file a claim to be eligible for any distributions.

We recognize that class action settlements can be very complicated and that you prefer to focus on what matters most - your business. We have partnered with MCAG, a class-action settlement expert, to assist you in the claims process to receive any eligible funds from the settlement with minimal effort.
