In addition, the card brands (Visa, Mastercard, American Express, Discover, etc.) may charge various additional fees under certain circumstances, which are referred to as "pass through fees" because, if charged, are passed through by us to the Merchant. Pass-through fees may include, by way of example only, verification fees, authorization fees, international transaction fees, return fees, and data usage fees, among others.

** Commercial Card Interchange Service ("CCIS"). With CCIS, when transactions don't include any tax information, your sales tax will be computed based on the applicable rate at your location to allow you to obtain the best interchange. When the sales tax is computed on your behalf under CCIS, we will retain 50% of the interchange savings. If a transaction is fully or partially exempt, you should enter the tax amount (even if that amount is \$0.0) as CCIS applies your local tax rate to the full amount of the transaction when the prompt is bypassed.

■ **Pass Through Interchange - Includes Dues and Assessments.** You will be charged the applicable interchange rate from Mastercard, Visa, or Discover plus a Mastercard Assessment Fee (273) of .13% a Visa Assessment Fee (274) of .13%, Visa Assessment Fee CR (27L) of .14% or a Discover Assessment Fee (234) of .14%, or a PayPal Assessment Fee (45H) of .10%, plus any other fees indicated on this Service Fee Schedule. (Mastercard Assessment Fee (237) when transaction is equal to \$1,000 or more will be assessed an additional .01% per transaction). American Express Network Fee (28) of .16%. American Express has Program Pricing and not Interchange and are subject to change.
