Merchant has the right not to accept all Card Association card types. Some Point Of Sale software and programs cannot prohibit the acceptance of specific types of payment cards; therefore, it is the merchant's responsibility to enforce this. If you request AXP and qualify, NCR as processor, and not Merchant Bank, will settle American Express.

^{**} Denotes Services and Programs listed above or below in this Application, which are provided by Processor and its contractors and not by Merchant Bank. Merchant Bank has no responsibility or liability therefor.

Merchant Beneficial Ownership and Management Information Certification: The following information and certifications concerning beneficial ownership, and the identification of beneficial owner(s), of the Merchant identified in the Merchant Application referenced below, must be provided for the Merchant if a legal entity (legal entity includes a corporation, limited liability company or other entity that is formed by filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States). (This form need not be used for a Merchant identified in the Merchant Application as a "sole proprietor" or "sole proprietorship", provided the prescribed forms of Merchant Application including any Patriot Act/customer identification forms and taxpayer identification/withholding forms included therein or prescribed for use therewith reflect such sole proprietorship status and are completed and executed by such sole proprietor and the Processor's representative.) The beneficial ownership/management information and certification in this form is in addition to, not a substitute for, the information and certifications regarding the Merchant legal entity required elsewhere in the prescribed form of Merchant Application including any other Patriot Act/customer identification forms and taxpayer identification/withholding forms included therein or prescribed for use therewith. Notice: To help the government fight the funding of terrorism and money laundering activities, the USA Patriot Act requires all financial institutions to obtain, verify and record information that identifies each person (including business entities) who opens an account.
