**Commercial Card Interchange Service ("CCIS"): With CCIS, when transactions don't include any tax information your sales tax will be computed based on the applicable rate at your location to allow you to obtain the best interchange. When the sales tax is computed on your behalf under CCIS, we will retain 50% of the interchange savings. If a transaction is fully or partially exempt, you should enter the tax amount (even if that amount is \$0.00) as CCIS applies your local tax rate to the full amount of the transaction when the prompt is bypassed.
