Please read the Program Guide in its entirety. It describes the terms under which we will provide merchant processing Services to you.

From time to time you may have questions regarding the contents of your Agreement with Bank and/or Processor or the contents of your Agreement with TeleCheck. The following information summarizes portions of your Agreement in order to assist you in answering some of the questions we are most commonly asked.

- 1. Your Discount Rates are assessed on transactions that qualify for certain reduced interchange rates imposed by Mastercard, Visa, Discover and PayPal. Any transactions that fail to qualify for these reduced rates will be charged an additional fee (see Section 26 of the Program Guide).
- 2. We may debit your bank account (also referred to as your Settlement Account) from time to time for amounts owed to us under the Agreement.
- 3. There are many reasons why a Chargeback may occur. When they occur we will debit your settlement funds or Settlement Account. For a more detailed discussion regarding Chargebacks see Section 15 of the Your Payments Acceptance Guide or see the applicable provisions of the TeleCheck Solutions Agreement.
- 4. In consideration of the Services provided by us, you shall be charged, and hereby agree to pay us any and all fees set forth in this Agreement (for the purpose of clarity, this includes the Application and any additional pricing supplements or subsequent communications), all of which shall be calculated and payable pursuant to the terms of this Agreement and any additional pricing supplements or subsequent communications. If you dispute any charge or funding, you must notify us within 60 days of the date of the statement where the charge or funding appears for Card Processing or within 30 days of the date of a TeleCheck transaction.

- 5. The Agreement limits our liability to you. For a detailed description of the limitation of liability see Section 28, 38.3, and 40.10 of the Card General Terms; or Section 18 of the TeleCheck Solutions Agreement.
- 6. We have assumed certain risks by agreeing to provide you with Card processing or check services. Accordingy, we may take certain actions to mitigate our risk, including termination of the Agreement, and/or hold monies otherwise payable to you (see Card Processing General Terms in Section 31, Term; Events of Default and Section 32, Reserve Account; Security Interest), (see TeleCheck Solutions Agreement in Seciton 7), under certain circumstances.
- 7. By executing this Agreement with us you are authorizing us and our Affiliates to obtain financial and credit information regarding your business and the signers and guarantors of the Agreeent until all your obligations to us and our Affiliates are satisfied.
- 8. The Agreement contains a provision that in the event you terminate the Agreement prior to the expiration of your initial three (3) year term, you will be responsible for the payment of an early termination fee as set forth in Part IV, A.3 under "Additional Fee Information" and Section 17.2 of the TeleCheck Solutions Agreement.
- For questions or concerns regarding your merchant account, contact customer service at the number located on your Merchant Services Statement.

Ensure compliance with Cardholder data security and storage

Review and understand the terms of the Merchant Agreement.

Comply with Card Organization Rules and applicable law and
