DEPUTY CLERK

Effective January 1, 2014, counties and cities will issue a minimal activity business license to any person with annual sales of more than \$3,000 but less than \$10,000 per year within a jurisdiction.

The minimal activity license will be issued upon receipt of an application and payment of a \$15 fee. The applicant must attest that the applicant is engaged in business within the county or incorporated municipality and has sales of less than \$10,000 per year within the jurisdiction. No person with sales of more than \$3,000 but less than \$10,000 can engage in business in the jurisdiction without first obtaining the minimal activity license.

If a person has more than one location in the jurisdiction, a separate minimal activity license and \$15 fee is required for each location. Any person obtaining a minimal activity license must display the license in the person's place of business. Persons with \$3,000 or less in annual sales in any incorporated municipality or county may, but are not required to, have a minimal activity license.

Each minimal activity license will expire thirty days after the end of what would be the taxpayer's filing period if the person were filing a business tax return. Each year, a new minimal activity license must be obtained for each of the persons locations if the person will meet the qualifying gross receipts criteria; another \$15 license fee must be paid for each new minimal activity license.

In any year in which the person's gross receipts in the jurisdiction are \$10,000 or more, the person will be required to file a regular business tax return for the tax year.
